DAFFODILS NEWSLETTER

Daffodils Education Services, Ltd.

Dear Readers,

Welcome back from the holidays.

Pupils have settled in for term 2 and their teachers have noticed a great improvement both in their studies and other aspects in school.

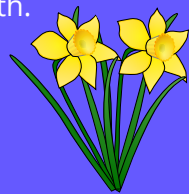

During the holidays, different projects were given to different classes and amazing work was returned to school. Thank you for this great effort.

The children are engaging in different interactive activities to enhance their learning progress.

We are about to do our midterm assessments to check on our progress this term.

We encourage our pupils to do enough revision for better results.

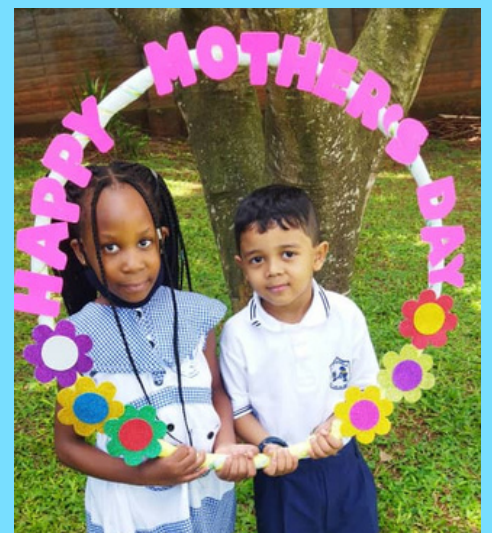

Enjoy reading through different children's views about different topics this month.

Kids Reflect!

When I returned to school this term, my class was looking better than before. Everyone in our class was amazed, we all gazed at all the new classroom environment our teacher had set up.

My holiday sadly came to an end and I had to come back to school. I was very excited and so was everyone else. Soon after that we had beginning of term II examinations which I performed well in.

-Alma Namata P.6E

I had quite an eventful holiday. I had holiday work to do and also did some housework with my siblings and cousins. My mother was not feeling well and had to go for surgery too but she miraculously came back home the very week.

-Rebecca Leni P.6S

We broke off when it was almost Easter, so I enjoyed the Easter break to the fullest knowing I was in holidays. I also met with my best friends Makula and Franchesca during the holiday.

-Tamara Cherees Carmen Muhwezi P.2E

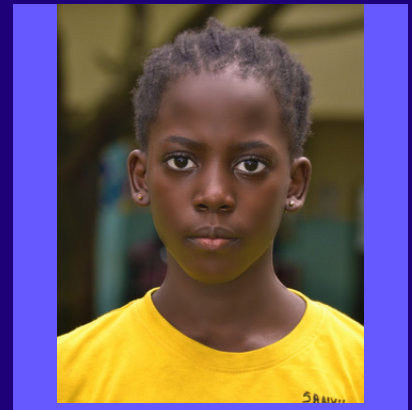

I spent every day of my holiday doing something. I travelled to my mother's village for 3 days. We celebrated my father and uncle's birthday and had a lot of fun. All in all I enjoyed my holiday to the fullest.

-Melissa Amal Okullo P.1D

Some of the assignments I got to do for my holidays was a school Mathematics project. My project work was very simple. I made a nice abacus with the help of my mother.

Martyrs' Day

A martyr is a person who is killed for his/her faith.

The Uganda martyrs were a group of 27 Anglicans and 22 Catholics. The kabaka of Buganda Mwanga II ordered the killing of the Uganda martyrs. The Uganda martyrs were killed for their faith in God.

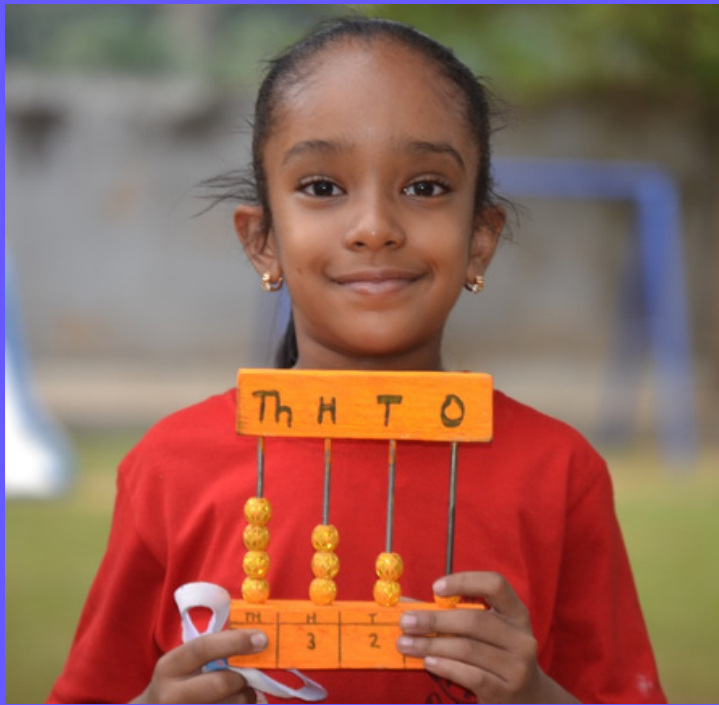

The kabaka of Buganda wanted the uganda martyrs to denounce christianity and they refused.

The youngest martyr was St. Kizito Omuto. We celebrate our dear Uganda Martyrs on 3rd June annually.

Project Work P. 3 Class

As part of their holiday assignment, the children worked on their project work and proudly displayed in their classes.

We are so proud of our children!

A big Thank you to the parents for giving the children all the support from home. The projects were indeed amazing.

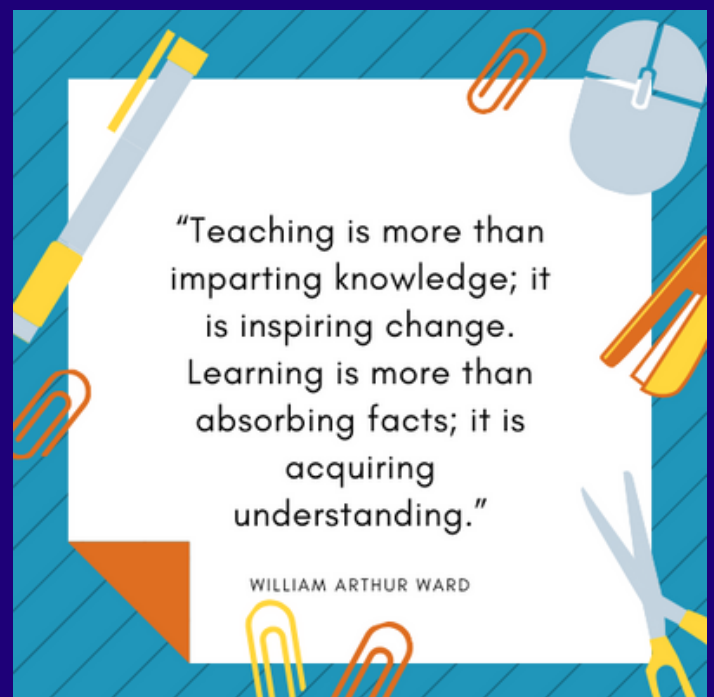

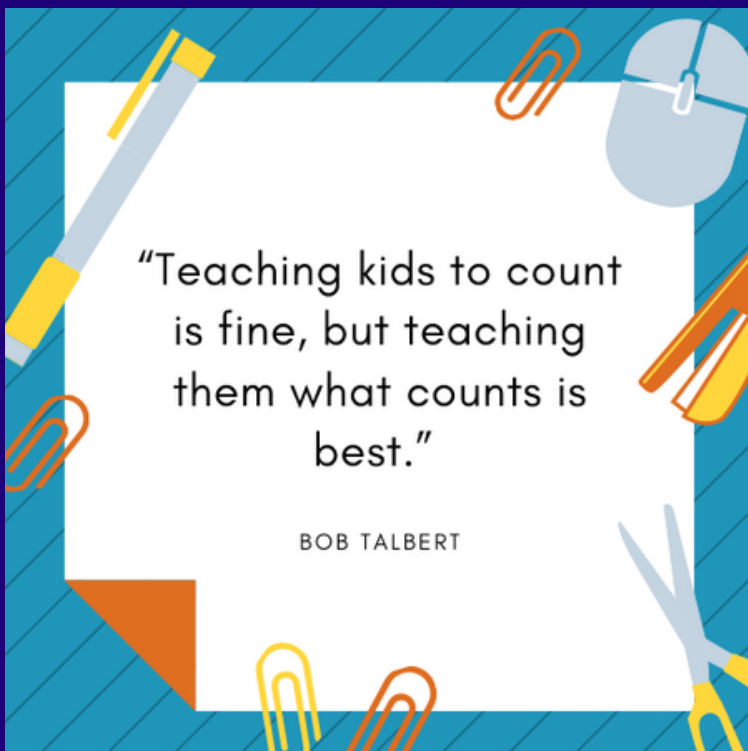

Teacher's Corner

A day like 3rd June is a special day to all Ugandans and the world at large. As has been our culture at Daffodils Primary School, we join the rest of the Christian community to yet another commemoration of the Uganda Martyrs. Our beloved learners need to continue telling the story of the Uganda Martyrs in a deeper manner such as to act as an aid to all of us for the continuation of the renewal of our faith.

A hero is a person who has changed someone's life positively. The children, teachers, parents and the whole Daffodils community, are all our heroes.

Happy Heroes day celebrations.

MAY AT A GLANCE...

Learn
something new
every day

Heroes day was made to recognize people on both sides that fought in the civil wars and the date was chosen because this is the day the assassination of Eddidiian Babumba Mukiibi Luttamaguzi took place.

Jesus Christ died on the cross to save us from sin, he is my hero for saving me from sin.

In Uganda they were heroes like Dr. Mathias Lukwiya who died in line of duty trying to save lives of people from Ebola. Major General Nalweyiso a war veteran from Luwero who fought to liberate Uganda from the dictatorship of Milton Obote.

Heroes Day

Heroes day is celebrated in Uganda on the 9th June every year. We celebrate Heroes day to remember the death of our heroes such as Paul Bogle, George Williams and Marcus Garvey

President Jose P. Laurel started Heroes day on 9th June 1942.

The holiday was to recognize people on both sides who fought in the civil war.

We should honour and remember known and unknown heroes of the revolution who laid the foundation for the country's independence.

Reading Buddies

We are so excited to resume our reading buddies post covid. The children and teachers missed these beautiful bonding times.

What is Reading Buddies?
Reading buddies is a unique programme we follow at Daffodils. Each child in P.1 and P.2 have an assigned buddy in P.3 and p.4. Once a week, the buddies come together under the supervision of their teachers and read together a book of their choice.

This has known to bring in many benefits. The children learn from their older friends. Along with this, it brings team work, collaboration and bonding.
