## Father's Day Special

Dear Fathers,

This month, we celebrate you! The heroes of our families...to all the wonderful fathers, who always stand by their children to support, encourage and guide them.

You will always be the heroes of your children. We dedicate this edition to all the Daffodils' Fathers for their endless and selfless love.

We pray for your good health and prosperity to continue being there for the children.

This has been a busy Month!

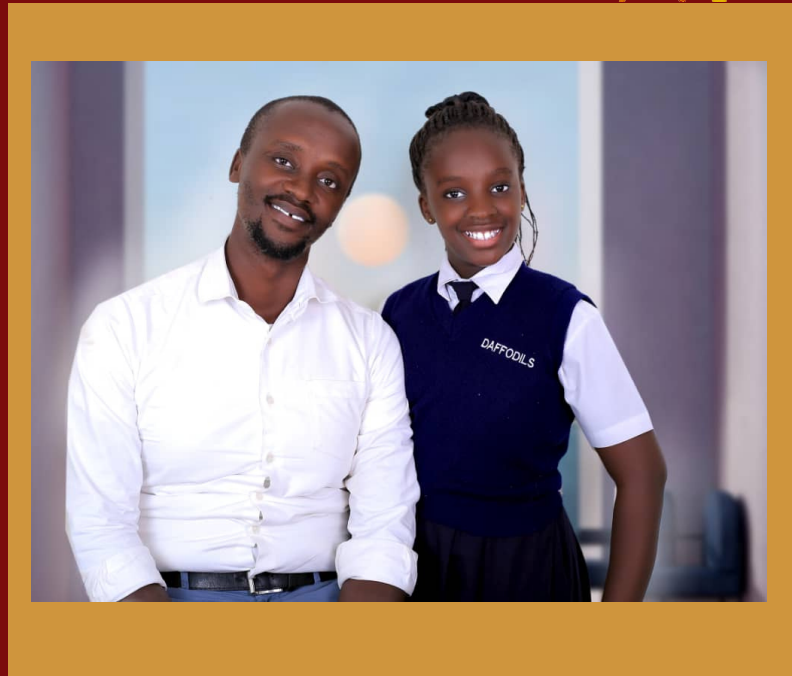

At the Primary Section the children have completed their Mid-term Assessments. The general performance is better. We always encourage them to aim high. A good number of parents turned up for the Parent-Teacher conference to discuss their children's class progress.

The Daffodils International had a Variety show which was also a success. The children are now enjoying their Summer holidays.

Book week happened at the Daffodils Bukoto and Nakasero Kindergarten branches.

Enjoy reading through the Newsletter

HAPPY  
**Father's**  
DAY

My father is very hardworking and a respectful man. He keeps me busy all the time. I love my father and I wish my father well and to live longer.  
Karlton Kagoro P.4D

Fathers are given tribute for their hard work all year long by their children. On this day, fathers are given love by their children for helping them and fulfilling their desires and saving them when they were in trouble. We should always make our fathers proud and happy all the time.

Muhammad Memoon P.5D

Fathers do so much for their children and family. They give us love and care and also provide basic needs like shelter, food, and clothing. So sad that some fathers are not with us anymore for some have gone to be with the Lord. We are grateful to the mothers who play the fatherly role.

Vianney Clement Lubuulwa P.7S

This is largely celebrated around the world. A father's love is unconditional, he loves, cares and struggles hard to make our day better and brighter. Everything he does for us is what only a super hero can do.

Harvin Bharat P.5E

On father's day my dad got a surprise breakfast very early in the morning. It was a thank you for being the best father in the world. We thanked him for being there for us all the time.

Bashirah Miir Kigongo P.1S

My father is none like others because of his kindness, generosity and love. He is a God fearing Christian. He is diligent and hardworking person who won't rest until a job is done.

Nissi Ocanya P.7S

Happy father's day daddy. Thank you for making my life different. You are not just a super Hero to us, you give us wings to fly. I love you daddy.

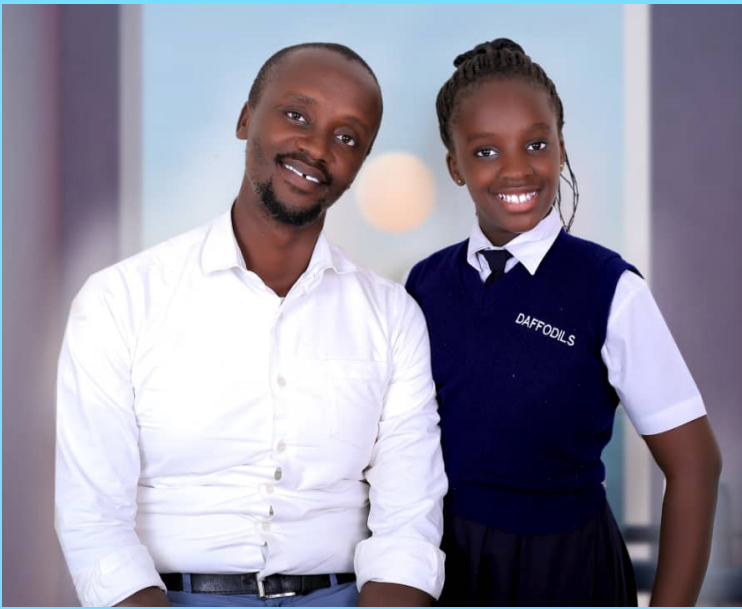

Timothy Kalenzi P.4D

My dad is not just celebrated on father's day. My dad is so important in my life. Where would I be without my dad? I love him with all my heart. Thanks for all the things you have done for me. YOU ARE SO WONDERFUL PAPA.

Siddharth Krishna P.2S

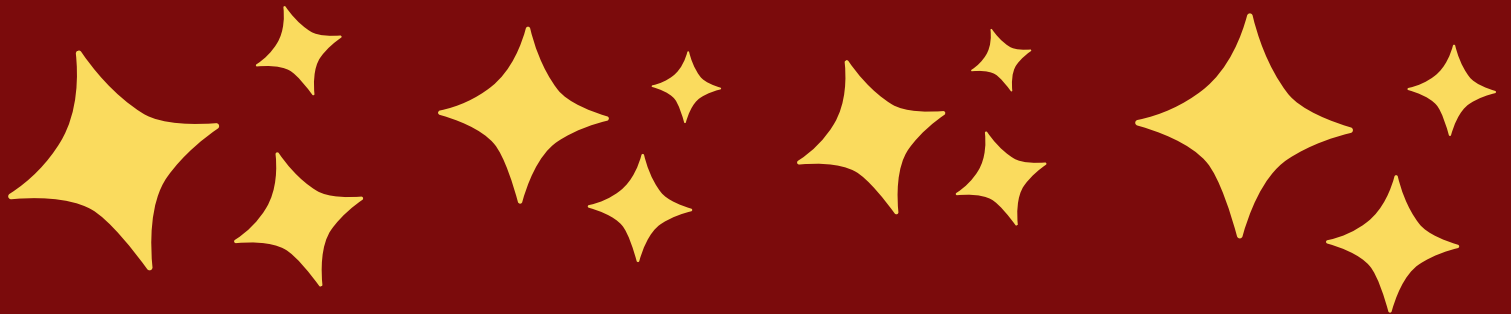

My father is a leader of the house. He cares for me and my siblings. He pays school fees and provides for us too. He takes me to school and always helps me with my homework and signs it as well. He has always been there for me.

# My Dad

If I could write a story,  
It would be the greatest ever told.  
I'd write about my daddy,  
For he had a heart of gold.  
My dad, he was no hero  
Known around this world.  
He was everything to me,  
For I was his baby girl.  
I'd write about the lessons.  
He taught me right from wrong.  
He instilled in me the values  
That one day I'd be strong.  
He taught me to face my fears,  
Take each day as it comes,  
For there are things that we can't change.  
He would say what's done is done.  
He would say hold your head up high,  
Carry yourself with pride.  
Thanks to him, I am somebody,  
I will never run and hide.  
If I could write a story,  
It would be the greatest ever told.  
I'd write about my daddy,  
For he had a heart of gold.

# HAPPY : FATHERS' DAY

THIS is the day we celebrate fathers. Fathers do very important things to us and our families. Fathers play a role to their family which is to provide basic needs to his family. They work hard to keep us safe and satisfied. Oh! What would we do without fathers.

# HAPPY FATHER'S DAY

Fathers are people/men that take care of children. My father is one of a kind in my eyes from loving me to paying for my needs. My dad has always been close to me from the beginning and I'm beyond grateful for him and for what he does. Fathers don't have to be biological not even in the slightest. As long as they love and care and protect you they can be considered a father. So in that case Happy Fathers' day to new fathers, experienced ones and those that aren't and lastly those in Heaven.

Elit Antonio 7E

Happy  
Father's  
Day!

To My Dad,  
I am because you are  
So much of me  
Is made from  
What I learnt from you

It doesn't matter  
How far I go in life  
I'll always be your  
Daughter  
And you will always be  
My loving father ♥  
Love you with all my heart  
My hero forever

My father is a very important person in my life. Father's Day is a day to appreciate men like him who work hard to pay school fees for their children and put food on the table for their families. We should really thank all the fathers in the world for every thing they have done for us. Thank you

# Book Week!

Daffodils Kindergarten Bukoto and Nakasero branches held a book week beginning from 20th June to 24th June 2022.

Every day we had different creative and fun activities, from making favourite book characters to enacting role plays by the children.

Children made creative books with the help of their parents and teachers.

Children enjoyed reading different books with their parents and taking pictures in their cozy book and selfie corner.

The event was a great success and we thank the teachers and all the parents for attending.

Ms. Sana Jelani

Deputy Head Teacher, Nakasero Branch

# Book Week

The Book Week was held at the kindergarten branches with many volunteer parents who read to our children.

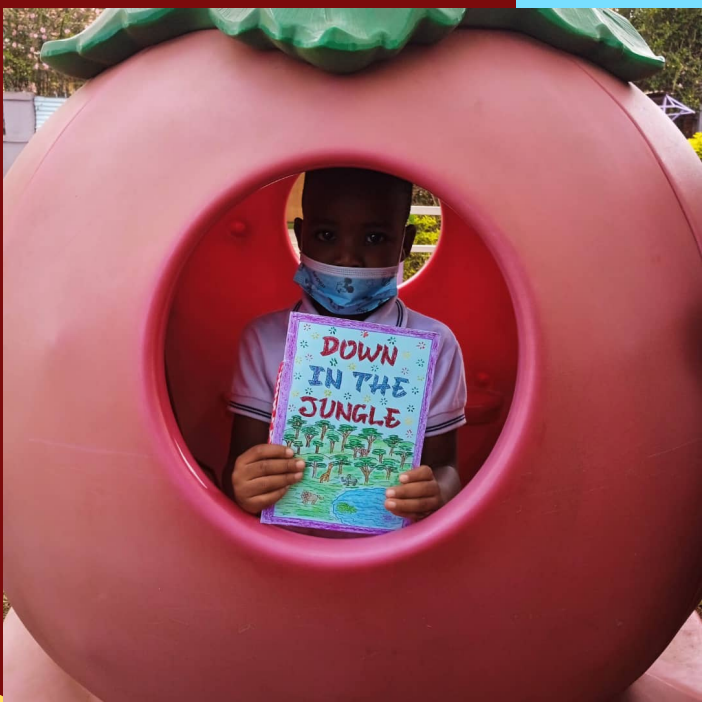

Our children loved listening to stories!

My school held a book week which was so fun. I wrote a story book and I also read stories throughout the week. My school invited parents and guests to read and encourage us about writing and reading books. Mummy Noah, a Daffodils parent has written so many books too. I want to be a writer like her.

Grace Charis Ecimu, Pre-Primary (Bukoto)

Children did various interactive activities during the Book Week.

On Friday last week, I went with daddy and my brother. It was such a wonderful day. Met my friends and we read for our parents and took so many photos.

I read for my Dad a book called "puss in boots", and he was so happy to hear me reading so well. I really enjoyed book week.

Anne Elizabeth Musiime, Pre-Primary (Nakasero)
